Subject: Observing Teachers' Day on 5<sup>th</sup> September

Dear Principal,

As you are aware every year, the Teachers' Day is celebrated in India on 5<sup>th</sup> September to recognize the contribution of the teaching community towards the society. The large network of schools affiliated with CBSE play a major role in the field of education. It is a matter of pride that more than 23000 schools are affiliated with CBSE and the teachers of these schools are playing a momentous role in building of a progressive society and development of a nation. We all are indebted to them not only for their never-ending hard work invested for excellence but also for elevating and transforming millions of lives.

To continue our tradition of recognizing the dedicated efforts and services of our teachers, you are requested to observe Teachers' Day on 5<sup>th</sup> September in your school through any format – virtual/physical/social media, etc. You are also advised to popularize the following two hash tags:

- #OurTeachersOurHeroes
  - a. Where children can post their own selfie with a paper sharing their teacher's name/s or with a message to their teachers
- #TeachersFromIndia
  - a. Where teachers of your schools are acknowledged

All students, schools and even parents may use these hashtags with messages/ selfies/ sketches/ anecdotes/ positive experience on social media platforms for a befitting recognition and tribute to our mentors.
