

Our well-wishers, our pillar of strength and our greatest source for everlasting improvement, Dear Parents, I pray for you and your family members' safety and well-being. I request you all to practice social isolation and adopt all precautions recommended by the medical fraternity.

Lockdown a word which will have an everlasting impact in our lives, never ever imagined that we will be called responsible citizens if we stay at home doing nothing. But that's life. "Expect the unexpected" As we r confined to our homes, it doesn't mean we need to spend our time lazing around doing nothing and watching TV 24x7.

Hence we have planned some activities for your children to stay connected with learning. Hope all have received the worksheet time table.

Everyday Worksheets will be posted and students shall write the answers in their classwork or rough notes. You can check for The answers will be posted on weekends.. Check and grade yourself. For any queries related to these worksheets you r requested to message to the below given nos.
